

**CITY OF BLOOMFIELD  
REQUEST FOR QUALIFICATIONS  
ENGINEERING SERVICES**

The City of Bloomfield requests qualifications for engineering and construction inspection services for improvements and repaving of existing city streets. The project is seeking partial funding through the Community Development Block Grant (CDBG).

Information provided to the City must include:

- 1) The specialized experience and technical competence of the firm with respect to street projects or related work;
- 2) The capacity and capability of the firm to perform the work in question, including specialized services, within a period of six months;
- 3) The past record of performance of the firm with respect to such factors as control of costs, quality of work, and ability to meet schedules;
- 4) The firm's proximity to and familiarity with the area in which the project is located;
- 5) References from previous clients of related work with the firm within the past five years; and
- 6) Documentation of compliance with E-Verify requirements.

The firm will be selected based on the above qualifications. Once the most qualified firm is selected, a cost for preliminary engineering services will be negotiated.

The ability to begin work immediately and providing all of the above shall receive primary consideration.

The above information should be submitted no later than March 13, 2018 at 4:00 pm, to the City of Bloomfield, P.O. Box 350, Bloomfield, MO 63825. For more information, please contact Kari Standley at 573-568-3464 or E-mail [cityblfd@newwavecomm.net](mailto:cityblfd@newwavecomm.net)

The City of Bloomfield is an Equal Opportunity Employer and invites the submission of proposals from minority and women-owned firms
